### **Disclaimer**

This list outlines our courses, it was compiled in May 2010 and relates to the programmes we intend to offer for the year starting in September 2010. Every care has been taken to ensure that the information contained is accurate at the time of printing, but the course programme is subject to continuing development and changing circumstances that may necessitate the cancellation of courses or alterations to the course content, or other related matters. Some courses described are still subject to external validation before they can be run. The College reserves the right to make any such changes: with as much notice as possible. These rights shall be incorporated in any contract between the College and a student safeguarding the college from any liability whatsoever in respect of any such changes. Please note the tuition fees quoted are for a single year of tuition. Some courses attract additional costs, e.g: materials, protective clothing.
